

Sample Claim Denial Letter

Patient: John Smith

Member ID: AET12345678

Claim Number: CLM-2026-001245

Procedure: CPT 29881 - Knee Arthroscopy with Meniscectomy

Diagnosis: S83.241A - Medial Meniscus Tear

Denial Reason: Medical Necessity Not Established

After review of the submitted documentation, we are unable to determine that the requested procedure meets our medical necessity criteria. Documentation does not clearly demonstrate failure of conservative treatment for the required duration. Clinical records do not include sufficient evidence of functional impairment or physical therapy outcomes.

Requested for Appeal

- Detailed clinical notes
- Physical therapy records
- MRI findings
- Provider rationale supporting surgery
